

N25Q128A13ESEDFF TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | N25Q128A13ESEDFF TR                                                                                          |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 128M SPI 108MHZ 8SO                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 50225 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of N25Q128A13ESEDFF TR

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| PART NUMBER                      | N25Q128A13ESEDFF TR                                     |
| MANUFACTURER                     | Micron Technology                                       |
| DESCRIPTION                      | IC FLASH 128M SPI 108MHZ 8SO                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| QUANTITY AVAILABLE               | 50225 pcs                                               |
| DATA SHEET                       |                                                         |
| WRITE CYCLE TIME - WORD, PAGE    | 8ms, 5ms                                                |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                           |
| TECHNOLOGY                       | FLASH - NOR                                             |
| SUPPLIER DEVICE PACKAGE          | 8-SO W                                                  |
| SERIES                           | -                                                       |
| PACKAGING                        | Tape & Reel (TR)                                        |
| PACKAGE / CASE                   | 8-SOIC (0.209", 5.30mm Width)                           |
| OTHER NAMES                      | N25Q128A13ESEDFF TR-ND<br>N25Q128A13ESEDFFTR            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                       |
| MOUNTING TYPE                    | Surface Mount                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                           |
| MEMORY TYPE                      | Non-Volatile                                            |
| MEMORY SIZE                      | 128Mb (32M x 4)                                         |
| MEMORY INTERFACE                 | SPI                                                     |
| MEMORY FORMAT                    | FLASH                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 128Mb (32M x 4) SPI 108MHz 8-SO W |
| CLOCK FREQUENCY                  | 108MHz                                                  |
