

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:DM74LS157N

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC SELECTOR/MUX QUAD 2-1 16-DIP

Datasheets: DM74LS157N.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:4919 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of DM74LS157N

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | DM74LS157N                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                      | IC SELECTOR/MUX QUAD 2-1 16-DIP                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| QUANTITY AVAILABLE               | 4919 pcs                                                                                           |
| DATA SHEET                       |  DM74LS157N.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                      |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                    |
| TYPE                             | Multiplexer                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 16-DIP                                                                                             |
| SERIES                           | 74LS                                                                                               |
| PACKAGING                        | Tube                                                                                               |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                                                            |
| OTHER NAMES                      | 74LS157<br>74LS157N                                                                                |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                         |
| MOUNTING TYPE                    | Through Hole                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| INDEPENDENT CIRCUITS             | 1                                                                                                  |
| DETAILED DESCRIPTION             | Multiplexer 4 x 2:1 16-DIP                                                                         |
| CURRENT - OUTPUT HIGH, LOW       | 400µA, 8mA                                                                                         |
| CIRCUIT                          | 4 x 2:1                                                                                            |
| BASE PART NUMBER                 | 74LS157                                                                                            |
