

S-1132B34-I6T2G

Part Number:

S-1132B34-I6T2G

Manufacturer/Brand:

SII Semiconductor Corporation

Product description

IC REG LINEAR 3.4V 300MA SNT6A

Datasheets:

 S-1132B34-I6T2G.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

3633 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of S-1132B34-I6T2G

|                                  |                                                                                                         |

| DATA SHEET                       |  S-1132B34-I6T2G.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.15V @ 100mA                                                                                           |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.4V                                                                                                    |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                       |
| VOLTAGE - INPUT (MAX)            | 6.5V                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | SNT-6A (H)                                                                                              |
| SERIES                           | S-1132                                                                                                  |
| PROTECTION FEATURES              | Over Current                                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 6-SMD, Flat Leads                                                                                       |
| PSRR                             | 65dB (1kHz)                                                                                             |
| OUTPUT TYPE                      | Fixed                                                                                                   |
| OUTPUT CONFIGURATION             | Positive                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                       |
| NUMBER OF REGULATORS             | 1                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.4V 300mA SNT-6A (H)                               |
| CURRENT - SUPPLY (MAX)           | 40μA                                                                                                    |
| CURRENT - QUIESCENT (IQ)         | 1μA                                                                                                     |
| CURRENT - OUTPUT                 | 300mA                                                                                                   |
| CONTROL FEATURES                 | Enable                                                                                                  |
