

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:MC14046BDWR2G

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC PHASE LOCK LOOP CMOS 16SOIC

Datasheets: MC14046BDWR2G.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:128638 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC14046BDWR2G

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  MC14046BDWR2G.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 18 V                                                                                            |
| TYPE                             | Phase Lock Loop (PLL)                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                               |
| SERIES                           | -                                                                                                     |
| RATIO - INPUT:OUTPUT             | 2:2                                                                                                   |
| PACKAGING                        | Cut Tape (CT)                                                                                         |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                        |
| PLL                              | Yes                                                                                                   |
| OUTPUT                           | CMOS                                                                                                  |
| OTHER NAMES                      | MC14046BDWR2GOSCT                                                                                     |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                         |
| NUMBER OF CIRCUITS               | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INPUT                            | CMOS                                                                                                  |
| FREQUENCY - MAX                  | 1.9MHz                                                                                                |
| DIVIDER/MULTIPLIER               | No/No                                                                                                 |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                 |
| BASE PART NUMBER                 | MC14046B                                                                                              |
