

Long-term Support  
World Class Quality

ISSI (Integrated Silicon Solution, Inc.)

Part Number: IS25LQ032B-JMLE-TR

Manufacturer/Brand: ISSI (Integrated Silicon Solution, Inc.)

Product description: IC FLASH 32M SPI 104MHZ 16SOIC

Datasheets:  IS25LQ032B-JMLE-TR.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 38051 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

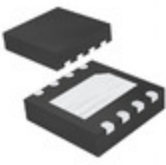

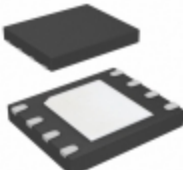

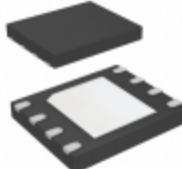

Specifications of IS25LQ032B-JMLE-TR

|                                  |                                                                                                            |

| QUANTITY AVAILABLE               | 38051 pcs                                                                                                  |
| DATA SHEET                       |  IS25LQ032B-JMLE-TR.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 1ms                                                                                                        |
| VOLTAGE - SUPPLY                 | 2.3 V ~ 3.6 V                                                                                              |
| TECHNOLOGY                       | FLASH - NOR                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                    |
| SERIES                           | -                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                              |
| MEMORY TYPE                      | Non-Volatile                                                                                               |
| MEMORY SIZE                      | 32Mb (4M x 8)                                                                                              |
| MEMORY INTERFACE                 | SPI - Quad I/O                                                                                             |
| MEMORY FORMAT                    | FLASH                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 32Mb (4M x 8) SPI - Quad I/O 104MHz 16-SOIC                                          |
| CLOCK FREQUENCY                  | 104MHz                                                                                                     |
