

10AS057K3F35E2SG

Part Number:10AS057K3F35E2SG

Manufacturer/Brand:Intel® FPGAs

Product description:IC SOC FPGA 396 I/O 1152FBGA

3.10AS057K3F35E2SG.pdf

Lead free / RoHS Compliant

30 pcs stock

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

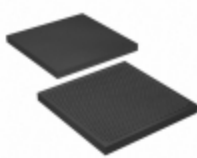

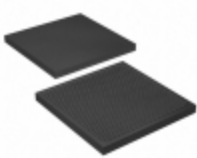

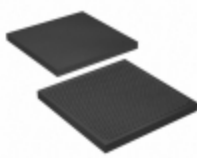

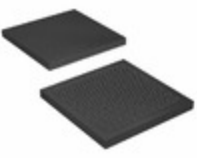

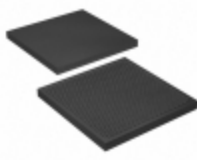

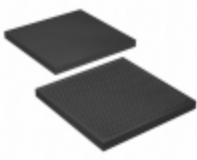

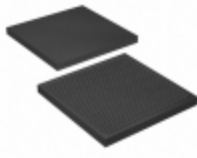

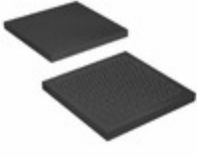

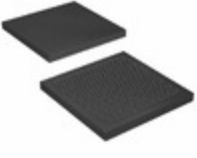

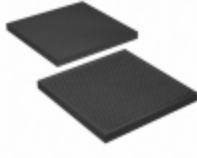

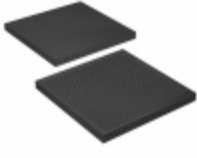

Specifications of 10AS057K3F35E2SG

|                                  |                                                                                                                                             |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | 10AS057K3F35E2SG                                                                                                                            |
| MANUFACTURER                     | Intel® FPGAs                                                                                                                                |
| DESCRIPTION                      | IC SOC FPGA 396 I/O 1152FBGA                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                                  |
| QUANTITY AVAILABLE               | 30 pcs                                                                                                                                      |
| DATA SHEET                       | <a href="#">1.10AS057K3F35E2SG.pdf</a><br><a href="#">2.10AS057K3F35E2SG.pdf</a><br><a href="#">3.10AS057K3F35E2SG.pdf</a>                  |
| SUPPLIER DEVICE PACKAGE          | 1152-FCBGA (35x35)                                                                                                                          |
| SPEED                            | 1.5GHz                                                                                                                                      |
| SERIES                           | Arria 10 SX                                                                                                                                 |
| RAM SIZE                         | 256KB                                                                                                                                       |
| PRIMARY ATTRIBUTES               | FPGA - 570K Logic Elements                                                                                                                  |
| PERIPHERALS                      | DMA, POR, WDT                                                                                                                               |
| PACKAGING                        | Tray                                                                                                                                        |
| PACKAGE / CASE                   | 1152-BBGA, FCBGA                                                                                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 100°C (TJ)                                                                                                                            |
| NUMBER OF I/O                    | 396                                                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                                  |
| FLASH SIZE                       | -                                                                                                                                           |
| DETAILED DESCRIPTION             | Dual ARM® Cortex®-A9 MPCore™ with CoreSight™ System On Chip (SOC) IC Arria 10 SX FPGA - 570K Logic Elements 256KB 1.5GHz 1152-FCBGA (35x35) |
| CORE PROCESSOR                   | Dual ARM® Cortex®-A9 MPCore™ with CoreSight™                                                                                                |
| CONNECTIVITY                     | EBI/EMI, Ethernet, I²C, MMC/SD/SDIO, SPI, UART/USART, USB OTG                                                                               |
| ARCHITECTURE                     | MCU, FPGA                                                                                                                                   |
