IA08BSN04DC

|                     |                       |
|---------------------|-----------------------|
| Part Number:        | IA08BSN04DC           |
| Manufacturer/Brand: | Carlo Gavazzi         |
| Product description | SEN PROX M8 2W NC CBL |
| Datasheets:         |                       |
| Stock Condition     | 1261 pcs stock        |
| Ship From           | Hong Kong             |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS |

REQUEST FOR QUOTATION

Specifications of IA08BSN04DC

|                                  |                                                                     |
|----------------------------------|---------------------------------------------------------------------|
| PART NUMBER                      | IA08BSN04DC                                                         |
| MANUFACTURER                     | Carlo Gavazzi                                                       |
| DESCRIPTION                      | SEN PROX M8 2W NC CBL                                               |
| LEAD FREE STATUS / ROHS STATUS   |                                                                     |
| QUANTITY AVAILABLE               | 1261 pcs                                                            |
| DATA SHEET                       |                                                                     |
| VOLTAGE - SUPPLY                 | 10 V ~ 60 V                                                         |
| TERMINATION STYLE                | Cable                                                               |
| SHIELDING                        | Unshielded                                                          |
| SERIES                           | IA                                                                  |
| SENSOR TYPE                      | Inductive                                                           |
| SENSING DISTANCE                 | 0.16" (4mm)                                                         |
| RESPONSE FREQUENCY               | 2kHz                                                                |
| PACKAGE / CASE                   | Cylinder, Threaded - M8                                             |
| OUTPUT TYPE                      | -                                                                   |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                      |
| MATERIAL - BODY                  | Stainless Steel                                                     |
| INGRESS PROTECTION               | IP67                                                                |
| INDICATOR                        | LED                                                                 |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.16" (4mm) IP67 Cylinder, Threaded - M8 |
