Toshiba Memory America, Inc.

TC58NVG2S0HTAI0

Part Number: TC58NVG2S0HTAI0

Manufacturer/Brand: Toshiba Memory America, Inc.

Product description: IC FLASH 4G PARALLEL 48TSOP I

Datasheets: [TC58NVG2S0HTAI0.pdf](#)

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 18769 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of TC58NVG2S0HTAI0

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|

| MANUFACTURER                     | Toshiba Memory America, Inc.                                                                                            |
| DESCRIPTION                      | IC FLASH 4G PARALLEL 48TSOP I                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 18769 pcs                                                                                                               |
| DATA SHEET                       |  <a href="#">TC58NVG2S0HTAI0.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 25ns                                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                                           |
| TECHNOLOGY                       | FLASH - NAND (SLC)                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP I                                                                                                               |
| SERIES                           | -                                                                                                                       |
| PACKAGING                        | Tray                                                                                                                    |
| PACKAGE / CASE                   | 48-TFSOP (0.724", 18.40mm Width)                                                                                        |
| OTHER NAMES                      | TC58NVG2OHTAI0B4H<br>TC58NVG2S0HTAI0B4H<br>TC58NVG2S0HTAI0Y0L                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                           |
| MEMORY TYPE                      | Non-Volatile                                                                                                            |
| MEMORY SIZE                      | 4Gb (512M x 8)                                                                                                          |
| MEMORY INTERFACE                 | Parallel                                                                                                                |
| MEMORY FORMAT                    | FLASH                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| DETAILED DESCRIPTION             | FLASH - NAND (SLC) Memory IC 4Gb (512M x 8) Parallel 25ns 48-TSOP I                                                     |
| ACCESS TIME                      | 25ns                                                                                                                    |
