| QUANTITY AVAILABLE               | 5718 pcs                                                                                               |
| DATA SHEET                       |  SI4704-B20-GMR.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 20-QFN (3x3)                                                                                           |
| SERIES                           | -                                                                                                      |
| SENSITIVITY                      | -                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 20-UFQFN Exposed Pad                                                                                   |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MODULATION OR PROTOCOL           | FM                                                                                                     |
| MEMORY SIZE                      | -                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| FREQUENCY                        | 64MHz ~ 108MHz                                                                                         |
| FEATURES                         | -                                                                                                      |
| DETAILED DESCRIPTION             | - RF Receiver FM 64MHz ~ 108MHz PCB, Surface Mount 20-QFN (3x3)                                        |
| DATA RATE (MAX)                  | -                                                                                                      |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                     |
| CURRENT - RECEIVING              | -                                                                                                      |
| APPLICATIONS                     | General Purpose                                                                                        |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                     |
