

LM5068MM-2

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM5068MM-2                                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC CTRLR HOTSWAP -48V 8VSSOP                                                                                         |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 6613 pcs stock                                                                                                       |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of LM5068MM-2

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | LM5068MM-2                                               |
| MANUFACTURER                     | N/A                                                      |
| DESCRIPTION                      | IC CTRLR HOTSWAP -48V 8VSSOP                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                       |
| QUANTITY AVAILABLE               | 6613 pcs                                                 |
| DATA SHEET                       |                                                          |
| VOLTAGE - SUPPLY                 | -90 V ~ -10 V                                            |
| TYPE                             | Hot Swap Controller                                      |
| SUPPLIER DEVICE PACKAGE          | 8-VSSOP                                                  |
| SERIES                           | -                                                        |
| PROGRAMMABLE FEATURES            | Circuit Breaker, Current Limit, Fault Timeout, OVP, UVLO |
| PACKAGING                        | Tape & Reel (TR)                                         |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                   |
| OTHER NAMES                      | LM5068MM-2TR                                             |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                            |
| NUMBER OF CHANNELS               | 1                                                        |
| MOUNTING TYPE                    | Surface Mount                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                       |
| INTERNAL SWITCH(S)               | No                                                       |
| FEATURES                         | Auto Retry, Turn On Voltage                              |
| FEATURE PINS                     | PWRGD, OV, TIMER, UV                                     |
| DETAILED DESCRIPTION             | Hot Swap Controller 1 Channel -48V 8-VSSOP               |
| CURRENT - SUPPLY                 | 820μA                                                    |
| CURRENT - OUTPUT (MAX)           | -                                                        |
| BASE PART NUMBER                 | LM5068                                                   |
| APPLICATIONS                     | -48V                                                     |
