| QUANTITY AVAILABLE                | 30233 pcs                                                                                                             |
| DATA SHEET                        |  <a href="#">LT1498IN8#PBF.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.2 V ~ 36 V, ±1.1 V ~ 18 V                                                                                           |
| VOLTAGE - INPUT OFFSET            | 200µV                                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 8-PDIP                                                                                                                |
| SLEW RATE                         | 6 V/µs                                                                                                                |
| SERIES                            | C-Load™                                                                                                               |
| PACKAGING                         | Tube                                                                                                                  |
| PACKAGE / CASE                    | 8-DIP (0.300", 7.62mm)                                                                                                |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                          |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                          |
| NUMBER OF CIRCUITS                | 2                                                                                                                     |
| MOUNTING TYPE                     | Through Hole                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                            |
| GAIN BANDWIDTH PRODUCT            | 10.5MHz                                                                                                               |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-PDIP                                                               |
| CURRENT - SUPPLY                  | 1.8mA                                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 30mA                                                                                                                  |
| CURRENT - INPUT BIAS              | 250nA                                                                                                                 |
| BASE PART NUMBER                  | LT1498                                                                                                                |
| AMPLIFIER TYPE                    | General Purpose                                                                                                       |
