

The image shows the Honeywell Sensing and Productivity Solutions logo at the top. Below the logo is a photograph of a grey rectangular sensor module. A black cable is connected to the module, and the outer jacket is stripped back to reveal four individual colored wires (blue, green, brown, and white) with their own insulation stripped at the end. The module has two circular ports on its side and a threaded connector on the front. The text 'Honeywell Sensing' is visible on the side of the module.
