

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:DM74AS163MX

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC COUNTER 4BIT SYNC BIN 16SOIC

Datasheets: DM74AS163MX.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:5050 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of DM74AS163MX

|                                  |                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | DM74AS163MX                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                |
| DESCRIPTION                      | IC COUNTER 4BIT SYNC BIN 16SOIC                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| QUANTITY AVAILABLE               | 5050 pcs                                                                                            |
| DATA SHEET                       |  DM74AS163MX.pdf |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                                                         |
| TRIGGER TYPE                     | Positive Edge                                                                                       |
| TIMING                           | Synchronous                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                             |
| SERIES                           | 74AS                                                                                                |
| RESET                            | Synchronous                                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                          |
| NUMBER OF ELEMENTS               | 1                                                                                                   |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LOGIC TYPE                       | Binary Counter                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DIRECTION                        | Up                                                                                                  |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 4 Bit Positive Edge 16-SOIC                                     |
| COUNT RATE                       | 75MHz                                                                                               |
| BASE PART NUMBER                 | 74AS163                                                                                             |
