

LT1780CN#PBF

Part Number:

Manufacturer/Brand:

Product description:

Datasheets:

RoHs Status:

Stock Condition:

Ship From:

Shipment Way:

LT1780CN#PBF

ADI (Analog Devices, Inc.)

IC DVR/RCVR 5V RS232 DUAL 18-DIP

 LT1780CN#PBF.pdf

 Lead free / RoHS Compliant

15526 pcs stock

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

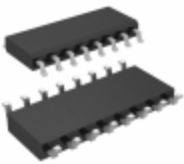

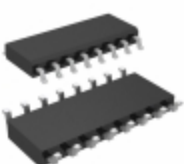

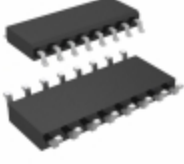

Specifications of LT1780CN#PBF

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LT1780CN#PBF                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                           |
| DESCRIPTION                      | IC DVR/RCVR 5V RS232 DUAL 18-DIP                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE               | 15526 pcs                                                                                            |
| DATA SHEET                       |  LT1780CN#PBF.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                        |
| TYPE                             | Transceiver                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 18-DIP                                                                                               |
| SERIES                           | -                                                                                                    |
| RECEIVER HYSTERESIS              | 400mV                                                                                                |
| PROTOCOL                         | RS232                                                                                                |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 18-DIP (0.300", 7.62mm)                                                                              |
| OTHER NAMES                      | LT1780CNPBF                                                                                          |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                           |
| NUMBER OF DRIVERS/RECEIVERS      | 2/2                                                                                                  |
| MOUNTING TYPE                    | Through Hole                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DUPLEX                           | Full                                                                                                 |
| DETAILED DESCRIPTION             | 2/2 Transceiver Full RS232 18-DIP                                                                    |
| DATA RATE                        | 250KBd                                                                                               |
| BASE PART NUMBER                 | LT1780                                                                                               |
