

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:  
NCP1400ASN38T1

Manufacturer/Brand:  
AMI Semiconductor / ON Semiconductor

Product description  
IC REG BOOST 3.8V 0.1A 5TSOP

Datasheets:  
 NCP1400ASN38T1.pdf

RoHs Status  
 Contains lead / RoHS non-compliant

Stock Condition  
4296 pcs stock

Ship From  
Hong Kong

Shipment Way  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NCP1400ASN38T1

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NCP1400ASN38T1                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC REG BOOST 3.8V 0.1A 5TSOP                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |

| DATA SHEET                       |  NCP1400ASN38T1.pdf |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.8V                                                                                                   |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                      |
| VOLTAGE - INPUT (MIN)            | 0.8V                                                                                                   |
| VOLTAGE - INPUT (MAX)            | 3.8V                                                                                                   |
| TOPOLOGY                         | Boost                                                                                                  |
| SYNCHRONOUS RECTIFIER            | No                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 5-TSOP                                                                                                 |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | SOT-23-5 Thin, TSOT-23-5                                                                               |
| OUTPUT TYPE                      | Fixed                                                                                                  |
| OUTPUT CONFIGURATION             | Positive                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| NUMBER OF OUTPUTS                | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| FUNCTION                         | Step-Up                                                                                                |
| FREQUENCY - SWITCHING            | 180kHz                                                                                                 |
| DETAILED DESCRIPTION             | Boost Switching Regulator IC Positive Fixed 3.8V 1 Output 100mA (Switch) SOT-23-5 Thin, TSOT-23-5      |
| CURRENT - OUTPUT                 | 100mA (Switch)                                                                                         |
| BASE PART NUMBER                 | NCP1400A                                                                                               |
