Specifications of LTC2934IDC-1

|                                |                                                               |
|--------------------------------|---------------------------------------------------------------|
| PART NUMBER                    | LTC2934IDC-1                                                  |
| MANUFACTURER                   | ADI (Analog Devices, Inc.)                                    |
| DESCRIPTION                    | IC SUPERVISOR                                                 |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                            |
| QUANTITY AVAILABLE             | 4766 pcs                                                      |
| DATA SHEET                     |                                                               |
| VOLTAGE - THRESHOLD            | Adjustable/Selectable                                         |
| TYPE                           | Simple Reset/Power-On Reset                                   |
| SUPPLIER DEVICE PACKAGE        | 8-DFN (2x2)                                                   |
| SERIES                         | -                                                             |
| RESET TIMEOUT                  | Adjustable/Selectable                                         |
| RESET                          | Active Low                                                    |
| PACKAGING                      | Tube                                                          |
| PACKAGE / CASE                 | 8-WDFN Exposed Pad                                            |
| OUTPUT                         | Open Drain or Open Collector                                  |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                             |
| NUMBER OF VOLTAGES MONITORED   | 1                                                             |
| MOUNTING TYPE                  | Surface Mount                                                 |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                            |
| DETAILED DESCRIPTION           | Supervisor Open Drain or Open Collector 1 Channel 8-DFN (2x2) |
