| DATA SHEET                       |  LTC1698ES#PBF.pdf |
| VOLTAGE - SUPPLY                 | 6 V ~ 12.6 V                                                                                          |
| VOLTAGE - INPUT                  | -                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                               |
| SERIES                           | -                                                                                                     |
| PACKAGING                        | Tube                                                                                                  |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | Power Supply Controller Secondary-Side Controller, Synchronous Rectifier 16-SOIC                      |
| CURRENT - SUPPLY                 | 1.8mA                                                                                                 |
| BASE PART NUMBER                 | LTC1698                                                                                               |
| APPLICATIONS                     | Secondary-Side Controller, Synchronous Rectifier                                                      |
