

ADI (Analog Devices, Inc.)

Image may be representation. See specifications for product details.

Part Number:

AD5248BRMZ100-RL7

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC POT DGTL DUAL 100K I2C 10MSOP

Datasheets:

 AD5248BRMZ100-RL7.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

60462 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

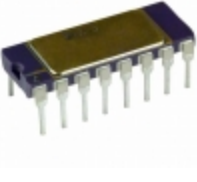

Specifications of AD5248BRMZ100-RL7

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AD5248BRMZ100-RL7                                                                                         |

| DESCRIPTION                      | IC POT DGTL DUAL 100K I2C 10MSOP                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE               | 60462 pcs                                                                                                 |
| DATA SHEET                       |  AD5248BRMZ100-RL7.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                             |
| TOLERANCE                        | -20%, +55%                                                                                                |
| TEMPERATURE COEFFICIENT (TYP)    | 35 ppm/°C                                                                                                 |
| TAPER                            | Linear                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                                                                                   |
| SERIES                           | -                                                                                                         |
| RESISTANCE - WIPER (OHMS) (TYP)  | 160                                                                                                       |
| RESISTANCE (OHMS)                | 100k                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                                  |
| OTHER NAMES                      | AD5248BRMZ100-RL7-ND<br>AD5248BRMZ100-RL7TR<br>AD5248BRMZ100RL7                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                             |
| NUMBER OF TAPS                   | 256                                                                                                       |
| NUMBER OF CIRCUITS               | 2                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| MEMORY TYPE                      | Volatile                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| INTERFACE                        | I²C                                                                                                       |
| FEATURES                         | Selectable Address                                                                                        |
| DETAILED DESCRIPTION             | Digital Potentiometer 100k Ohm 2 Circuit 256 Taps I²C Interface 10-MSOP                                   |
| CONFIGURATION                    | Rheostat                                                                                                  |
