| PANEL CUTOUT DIMENSIONS        | -                                                                       |
| OPERATING FORCE                | 5.761 ~ 17gfm                                                           |
| NUMBER OF POSITIONS            | 4                                                                       |
| NUMBER OF POLES PER DECK       | 3                                                                       |
| NUMBER OF DECKS                | 1                                                                       |
| MOUNTING TYPE                  | Panel Mount                                                             |
| INDEX STOPS                    | Fixed                                                                   |
| FEATURES                       | Process Sealed, Shaft and Panel Sealed                                  |
| DETAILED DESCRIPTION           | Rotary Switch 4 Position 3P4T 150mA (AC), 200mA (DC) 115VAC Panel Mount |
| DEPTH BEHIND PANEL             | 18.77mm                                                                 |
| CURRENT RATING                 | 150mA (AC), 200mA (DC)                                                  |
| CONTACT TIMING                 | Non-Shorting (BBM)                                                      |
| CONTACT MATERIAL               | -                                                                       |
| CONTACT FINISH                 | Gold                                                                    |
| CIRCUIT PER DECK               | 3P4T                                                                    |
| ANGLE OF THROW                 | 30°                                                                     |
| ACTUATOR TYPE                  | Flatted (4mm Dia)                                                       |
| ACTUATOR LENGTH                | 9.53mm                                                                  |
