**SCC68681E1A44,512**

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SCC68681E1A44,512                                                                                            |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC DUART 1MBPS 44PLCC                                                                                        |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6674 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

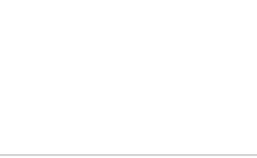

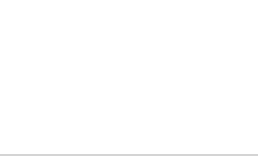

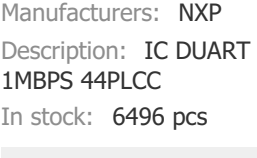

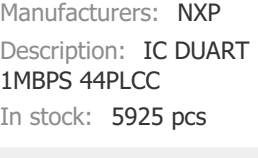

Specifications of SCC68681E1A44,512

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | SCC68681E1A44,512                                     |
| MANUFACTURER                     | NXP Semiconductors / Freescale                        |
| DESCRIPTION                      | IC DUART 1MBPS 44PLCC                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 6674 pcs                                              |
| DATA SHEET                       |                                                       |
| WITH MODEM CONTROL               | -                                                     |
| WITH IRDA ENCODER/DECODER        | -                                                     |
| WITH FALSE START BIT DETECTION   | Yes                                                   |
| WITH AUTO FLOW CONTROL           | Yes                                                   |
| VOLTAGE - SUPPLY                 | 5V                                                    |
| SUPPLIER DEVICE PACKAGE          | 44-PLCC (16.59x16.59)                                 |
| SERIES                           | -                                                     |
| PROTOCOL                         | -                                                     |
| PACKAGING                        | Tube                                                  |
| PACKAGE / CASE                   | 44-LCC (J-Lead)                                       |
| OTHER NAMES                      | 935274496512<br>SCC68681E1A44<br>SCC68681E1A44-ND     |
| NUMBER OF CHANNELS               | 2, DUART                                              |
| MOUNTING TYPE                    | Surface Mount                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| FEATURES                         | Configurable GPIO, Internal Oscillator, Timer/Counter |
| FIFO'S                           | -                                                     |
| DATA RATE (MAX)                  | 1Mbps                                                 |
| BASE PART NUMBER                 | SCC68681                                              |
