

ADI (Analog Devices, Inc.)

Image may be representation. See specifications for product details.

Part Number:

ADP2503ACPZ-3.3-R7

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC REG BUCK BST 3.3V 1A 10LFCSP

Datasheets:

 ADP2503ACPZ-3.3-R7.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

44977 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of ADP2503ACPZ-3.3-R7

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  ADP2503ACPZ-3.3-R7.pdf |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                                       |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                          |
| VOLTAGE - INPUT (MIN)            | 2.3V                                                                                                       |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                       |
| TOPOLOGY                         | Buck-Boost                                                                                                 |
| SYNCHRONOUS RECTIFIER            | Yes                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 10-LFCSP-WD (3x3)                                                                                          |
| SERIES                           | -                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | 10-WDFDN Exposed Pad, CSP                                                                                  |
| OUTPUT TYPE                      | Fixed                                                                                                      |
| OUTPUT CONFIGURATION             | Positive                                                                                                   |
| OTHER NAMES                      | ADP2503ACPZ-3.3-R7-ND<br>ADP2503ACPZ-3.3-R7TR<br>ADP2503ACPZ33R7                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                         |
| NUMBER OF OUTPUTS                | 1                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| FUNCTION                         | Step-Up/Step-Down                                                                                          |
| FREQUENCY - SWITCHING            | 2.5MHz                                                                                                     |
| DETAILED DESCRIPTION             | Buck-Boost Switching Regulator IC Positive Fixed 3.3V 1 Output 600mA 10-WDFDN Exposed Pad, CSP             |
| CURRENT - OUTPUT                 | 600mA                                                                                                      |
| BASE PART NUMBER                 | ADP2503                                                                                                    |
