SC68C652BIB48,151

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SC68C652BIB48,151                                                                                            |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC UART DUAL W/FIFO 48-LQFP                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4198 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

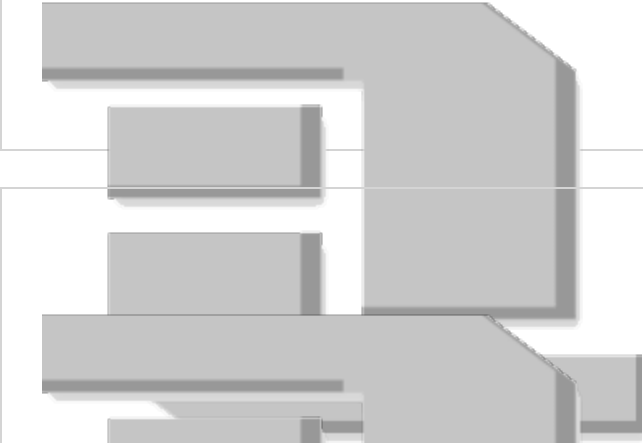

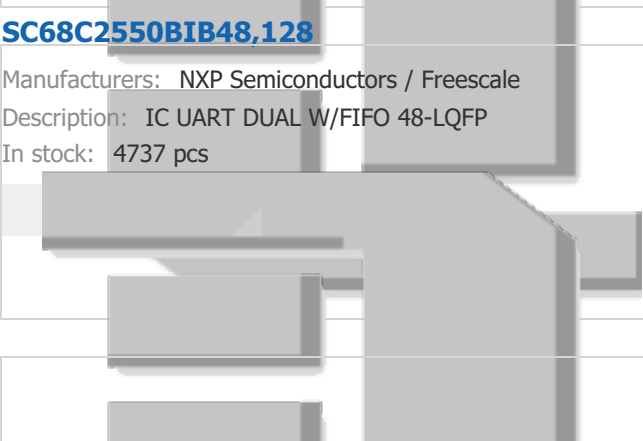

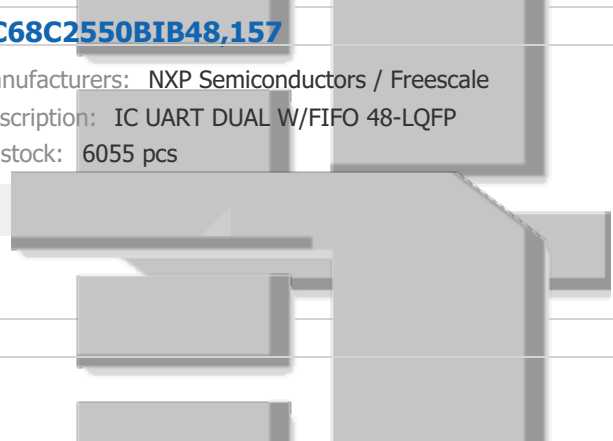

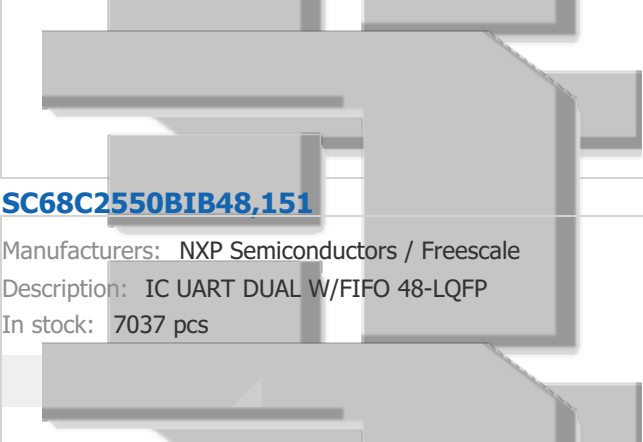

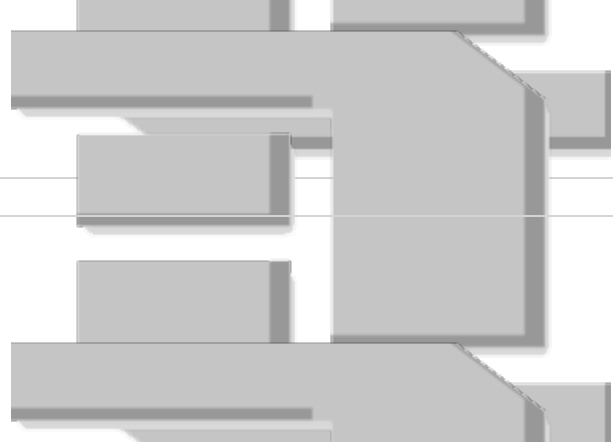

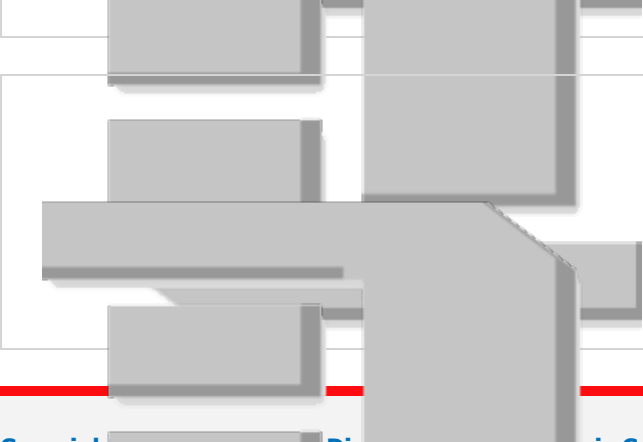

Specifications of SC68C652BIB48,151

|                                  |                                             |
|----------------------------------|---------------------------------------------|
| PART NUMBER                      | SC68C652BIB48,151                           |
| MANUFACTURER                     | NXP Semiconductors / Freescale              |
| DESCRIPTION                      | IC UART DUAL W/FIFO 48-LQFP                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                  |
| QUANTITY AVAILABLE               | 4198 pcs                                    |
| DATA SHEET                       |                                             |
| WITH MODEM CONTROL               | Yes                                         |
| WITH IRDA ENCODER/DECODER        | Yes                                         |
| WITH FALSE START BIT DETECTION   | Yes                                         |
| WITH AUTO FLOW CONTROL           | Yes                                         |
| VOLTAGE - SUPPLY                 | 2.5V, 3.3V, 5V                              |
| SUPPLIER DEVICE PACKAGE          | 48-LQFP (7x7)                               |
| SERIES                           | -                                           |
| PROTOCOL                         | -                                           |
| PACKAGING                        | Tray                                        |
| PACKAGE / CASE                   | 48-LQFP                                     |
| OTHER NAMES                      | 568-3297<br>935278766151<br>SC68C652BIB48-S |
| NUMBER OF CHANNELS               | 2, DUART                                    |
| MOUNTING TYPE                    | Surface Mount                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                  |
| FEATURES                         | Timer/Counter                               |
| FIFO'S                           | 32 Byte                                     |
| DATA RATE (MAX)                  | 5Mbps                                       |
| BASE PART NUMBER                 | SC68C652B                                   |
