| DESCRIPTION                    | SWITCH ROTARY 32POS 125MA 115V                                            |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                                        |
| QUANTITY AVAILABLE             | 1627 pcs                                                                  |
| DATA SHEET                     |                                                                           |
| VOLTAGE RATING - AC            | 115V                                                                      |
| TERMINATION STYLE              | PC Pin                                                                    |
| SERIES                         | 3100                                                                      |
| PANEL CUTOUT DIMENSIONS        | Circular - 9.58mm Dia                                                     |
| OPERATING FORCE                | 5.761 ~ 23gfm                                                             |
| NUMBER OF POSITIONS            | 32                                                                        |
| NUMBER OF POLES PER DECK       | -                                                                         |
| NUMBER OF DECKS                | 1                                                                         |
| MOUNTING TYPE                  | Panel Mount, Through Hole                                                 |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                                        |
| INDEX STOPS                    | Continuous                                                                |
| FEATURES                       | -                                                                         |
| DETAILED DESCRIPTION           | Rotary Switch 32 Position BCD 125mA (AC) 115VAC Panel Mount, Through Hole |
| DEPTH BEHIND PANEL             | 13.34mm                                                                   |
| CURRENT RATING                 | 125mA (AC)                                                                |
| CONTACT TIMING                 | Not Specified                                                             |
| CONTACT MATERIAL               | Phosphor Bronze                                                           |
| CONTACT FINISH                 | Gold                                                                      |
| CIRCUIT PER DECK               | BCD                                                                       |
| ANGLE OF THROW                 | 11.25°                                                                    |
| ACTUATOR TYPE                  | Flatted (6.35mm Dia)                                                      |
| ACTUATOR LENGTH                | 14.88mm                                                                   |
