**LSYNB4L**

Part Number:

I SYN B4I

Manufacturer/Brand:

Honeywell Sensing and Productivity Solutions

### Product description

SWITCH SNAP ACTION DPDT 10A 120V

Datasheets:

 LSYNB4L.pdf

RoHS Status

✓ Lead free / RoHS Compliant

### Stock Condition

380 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

## REQUEST FOR QUOTATION

## Specifications of I.SYNB4I

|                                  |                                                                                                                 |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LSYNB4L                                                                                                         |
| MANUFACTURER                     | Honeywell Sensing and Productivity Solutions                                                                    |
| DESCRIPTION                      | SWITCH SNAP ACTION DPDT 10A 120V                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                      |
| QUANTITY AVAILABLE               | 380 pcs                                                                                                         |
| DATA SHEET                       |  <a href="#">LSYNB4L.pdf</a> |
| VOLTAGE RATING - DC              | 115V                                                                                                            |
| VOLTAGE RATING - AC              | 120V                                                                                                            |
| TERMINATION STYLE                | Screw Terminal                                                                                                  |
| SWITCH FUNCTION                  | On-On                                                                                                           |
| SERIES                           | HDLS                                                                                                            |
| RELEASE FORCE                    | -                                                                                                               |
| PRETRAVEL                        | 65°                                                                                                             |
| PACKAGING                        | Bulk                                                                                                            |
| OVERTRAVEL                       | 20°                                                                                                             |
| OPERATING TEMPERATURE            | -29°C ~ 121°C                                                                                                   |
| OPERATING POSITION               | -                                                                                                               |
| OPERATING FORCE                  | 46gfm                                                                                                           |
| MOUNTING TYPE                    | Chassis Mount                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                   |
| MECHANICAL LIFE                  | -                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                      |
| INGRESS PROTECTION               | -                                                                                                               |
| FEATURES                         | -                                                                                                               |
| ELECTRICAL LIFE                  | -                                                                                                               |
| DIFFERENTIAL TRAVEL              | 40°                                                                                                             |
| CURRENT RATING                   | 10A (AC), 800mA (DC)                                                                                            |
| CIRCUIT                          | DPDT (DB/DM)                                                                                                    |
| ACTUATOR TYPE                    | Side Rotary - No Lever                                                                                          |
