PA-850-102V-PR2

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | PA-850-102V-PR2                |
| Manufacturer/Brand: | Copal Electronics              |
| Product description | PRESSURE TRANSDUCERS WITH AMP. |
| Datasheets:         | PA-850-102V-PR2.pdf            |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 366 pcs stock                  |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

Specifications of PA-850-102V-PR2

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | PA-850-102V-PR2                                                      |
| MANUFACTURER                     | Copal Electronics                                                    |
| DESCRIPTION                      | PRESSURE TRANSDUCERS WITH AMP.                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| QUANTITY AVAILABLE               | 366 pcs                                                              |
| DATA SHEET                       | PA-850-102V-PR2.pdf                                                  |
| VOLTAGE - SUPPLY                 | 10.8 V ~ 30 V                                                        |
| TERMINATION STYLE                | M12                                                                  |
| SUPPLIER DEVICE PACKAGE          | -                                                                    |
| SERIES                           | PA-850                                                               |
| PRESSURE TYPE                    | Vented Gauge                                                         |
| PORT STYLE                       | Threaded                                                             |
| PORT SIZE                        | Female - M5                                                          |
| PACKAGE / CASE                   | Cylinder                                                             |
| OUTPUT TYPE                      | PNP - Open Collector                                                 |
| OUTPUT                           | -                                                                    |
| OPERATING TEMPERATURE            | -20°C ~ 80°C                                                         |
| OPERATING PRESSURE               | 14.5 PSI (100 kPa)                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MAXIMUM PRESSURE                 | 29.01 PSI (200 kPa)                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| FEATURES                         | Temperature Compensated                                              |
| DETAILED DESCRIPTION             | Pressure Sensor 14.5 PSI (100 kPa) Vented Gauge Female - M5 Cylinder |
| ACCURACY                         | ±3%                                                                  |
