| DESCRIPTION                    | SWITCH ROTARY PANEL SEAL, 18 DEG                               |
| LEAD FREE STATUS / ROHS STATUS | RoHS Compliant                                                 |
| QUANTITY AVAILABLE             | 1152 pcs                                                       |
| DATA SHEET                     |                                                                |
| VOLTAGE RATING - DC            | 30V                                                            |
| VOLTAGE RATING - AC            | 115V                                                           |
| TERMINATION STYLE              | Solder Lug                                                     |
| SERIES                         | 59                                                             |
| ROHS STATUS                    | RoHS Compliant                                                 |
| PANEL CUTOUT DIMENSIONS        | -                                                              |
| OPERATING FORCE                | 14 ~ 58gfm                                                     |
| NUMBER OF POSITIONS            | 6                                                              |
| NUMBER OF POLES PER DECK       | 1                                                              |
| NUMBER OF DECKS                | 1                                                              |
| MOUNTING TYPE                  | Panel Mount                                                    |
| INDEX STOPS                    | Fixed                                                          |
| FEATURES                       | Shaft and Panel Sealed                                         |
| DETAILED DESCRIPTION           | Rotary Switch 6 Position SP6T 250mA (AC/DC) 115VAC Panel Mount |
| DEPTH BEHIND PANEL             | 23.27mm                                                        |
| CURRENT RATING                 | 250mA (AC/DC)                                                  |
| CONTACT TIMING                 | Shorting (MBB)                                                 |
| CONTACT MATERIAL               | Silver Alloy                                                   |
| CONTACT FINISH                 | Gold                                                           |
| CIRCUIT PER DECK               | SP6T                                                           |
| ANGLE OF THROW                 | 18°                                                            |
| ACTUATOR TYPE                  | Flatted (6.35mm Dia)                                           |
| ACTUATOR LENGTH                | 11.10mm                                                        |
