

Honeywell

Honeywell Sensing and Productivity Solutions

Productivity Solutions

CSNE151

Part Number: CSNE151

Manufacturer/Brand: Honeywell Sensing and Productivity Solutions

Product description: SENSOR CURRENT HALL 36A AC/DC

| Specifications of CSNE151        |                                                                                                 |
|----------------------------------|-------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CSNE151                                                                                         |
| MANUFACTURER                     | Honeywell Sensing and Productivity Solutions                                                    |
| DESCRIPTION                      | SENSOR CURRENT HALL 36A AC/DC                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| QUANTITY AVAILABLE               | 2083 pcs                                                                                        |
| DATA SHEET                       | <a href="#">1.CSNE151.pdf</a><br><a href="#">2.CSNE151.pdf</a><br><a href="#">3.CSNE151.pdf</a> |
| VOLTAGE - SUPPLY                 | ±15V                                                                                            |
| SERIES                           | CSN                                                                                             |
| SENSOR TYPE                      | Hall Effect, Closed Loop                                                                        |
| SENSITIVITY                      | -                                                                                               |
| RESPONSE TIME                    | 1µs                                                                                             |
| POLARIZATION                     | Bidirectional                                                                                   |
| PACKAGING                        | Bulk                                                                                            |
| PACKAGE / CASE                   | Module, Single Pass Through                                                                     |
| OUTPUT                           | Ratiometric, Current                                                                            |
| OTHER NAMES                      | 480-4830<br>CSNE151-ND                                                                          |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                      |
| NUMBER OF CHANNELS               | 1                                                                                               |
| MOUNTING TYPE                    | Through Hole                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| LINEARITY                        | ±0.2%                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| FREQUENCY                        | DC ~ 150kHz                                                                                     |
| FOR MEASURING                    | AC/DC                                                                                           |
| DETAILED DESCRIPTION             | Current Sensor 36A 1 Channel Hall Effect, Closed Loop Bidirectional Module, Single Pass Through |
| CURRENT - SUPPLY (MAX)           | 10mA                                                                                            |
| CURRENT - SENSING                | 36A                                                                                             |
| ACCURACY                         | ±0.5%                                                                                           |
