|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F384G08EBCBBB0KB3WC1                                                                                     |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 384G PARALLEL WAFER                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3201 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT29F384G08EBCBBB0KB3WC1

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| PART NUMBER                      | MT29F384G08EBCBBB0KB3WC1                        |
| MANUFACTURER                     | Micron Technology                               |
| DESCRIPTION                      | IC FLASH 384G PARALLEL WAFER                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                      |
| QUANTITY AVAILABLE               | 3201 pcs                                        |
| DATA SHEET                       |                                                 |
| WRITE CYCLE TIME - WORD, PAGE    | -                                               |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                   |
| TECHNOLOGY                       | FLASH - NAND                                    |
| SERIES                           | -                                               |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                   |
| MEMORY TYPE                      | Non-Volatile                                    |
| MEMORY SIZE                      | 384Gb (48G x 8)                                 |
| MEMORY INTERFACE                 | Parallel                                        |
| MEMORY FORMAT                    | FLASH                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                      |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 384Gb (48G x 8) Parallel |
