Specifications of ADA4622-2BRZ

|                                   |                                                                                                                      |
|-----------------------------------|----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | ADA4622-2BRZ                                                                                                         |
| MANUFACTURER                      | ADI (Analog Devices, Inc.)                                                                                           |
| DESCRIPTION                       | IC OPAMP 7.5MHZ RRO 8SOIC                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| QUANTITY AVAILABLE                | 10509 pcs                                                                                                            |
| DATA SHEET                        |  <a href="#">ADA4622-2BRZ.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 30 V, ±5 V ~ 15 V                                                                                            |
| VOLTAGE - INPUT OFFSET            | 400µV                                                                                                                |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                               |
| SLEW RATE                         | 23 V/µs                                                                                                              |
| SERIES                            | -                                                                                                                    |
| PACKAGING                         | Tube                                                                                                                 |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                        |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                        |
| NUMBER OF CIRCUITS                | 2                                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| GAIN BANDWIDTH PRODUCT            | 8MHz                                                                                                                 |
| DETAILED DESCRIPTION              | J-FET Amplifier 2 Circuit Rail-to-Rail 8-SOIC                                                                        |
| CURRENT - SUPPLY                  | 665µA                                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 20mA                                                                                                                 |
| CURRENT - INPUT BIAS              | 2pA                                                                                                                  |
