Specifications of E3S-DS30E4-M1J 0.3M

|                                  |                                                                                        |
|----------------------------------|----------------------------------------------------------------------------------------|
| PART NUMBER                      | E3S-DS30E4-M1J 0.3M                                                                    |
| MANUFACTURER                     | Omron Automation & Safety                                                              |
| DESCRIPTION                      | SENSOR DIFFUSE/REFLECTIVE                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                             |
| QUANTITY AVAILABLE               | 285 pcs                                                                                |
| DATA SHEET                       |                                                                                        |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                                            |
| SERIES                           | E3S                                                                                    |
| SENSING METHOD                   | Reflective, Diffuse                                                                    |
| SENSING DISTANCE                 | 11.811" (300mm)                                                                        |
| RESPONSE TIME                    | 1ms                                                                                    |
| OUTPUT CONFIGURATION             | PNP - Dark-ON/Light-ON - Selectable                                                    |
| OTHER NAMES                      | E3S-DS30E4-M1J 0.3M-ND<br>E3S-DS30E4-M1J0.3M<br>E3S/DS30E4/M1J 0.3M<br>E3SDS30E4M1J03M |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                          |
| LIGHT SOURCE                     | Infrared                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                             |
