| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                             |
| SUPPLIER DEVICE PACKAGE          | 20-QFN (3x3)                                                                            |
| SERIES                           | -                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                        |
| PACKAGE / CASE                   | 20-VFQFN Exposed Pad                                                                    |
| OTHER NAMES                      | 336-4869-2<br>SI3019-F-FMR-ND                                                           |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                              |
| NUMBER OF CIRCUITS               | 1                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                              |
| INTERFACE                        | GCI, PCM, SPI                                                                           |
| INCLUDES                         | -                                                                                       |
| FUNCTION                         | Direct Access Arrangement (DAA)                                                         |
| DETAILED DESCRIPTION             | Telecom IC Direct Access Arrangement (DAA) 20-QFN (3x3)                                 |
| CURRENT - SUPPLY                 | 8.5mA                                                                                   |
| BASE PART NUMBER                 | SI3019                                                                                  |
