

ON Semiconductor®

ON

AMI Semiconductor / ON

Semiconductor

ON Semiconductor®

Part Number:

H11F33S

Manufacturer/Brand:

AMI Semiconductor / ON Semiconductor

Product description

OPTOISOLTR 5.3KV PHOTO FET 6-SMD

Datasheets:

 H11F33S.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

6983 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of H11F33S        |                                                                                                 |
|----------------------------------|-------------------------------------------------------------------------------------------------|
| PART NUMBER                      | H11F33S                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                            |
| DESCRIPTION                      | OPTOISOLTR 5.3KV PHOTO FET 6-SMD                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| QUANTITY AVAILABLE               | 6983 pcs                                                                                        |
| DATA SHEET                       |  H11F33S.pdf |
| VOLTAGE - OUTPUT (MAX)           | 15V                                                                                             |
| VOLTAGE - ISOLATION              | 5300Vrms                                                                                        |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.3V                                                                                            |
| VCE SATURATION (MAX)             | -                                                                                               |
| TURN ON / TURN OFF TIME (TYP)    | 25µs, 25µs (Max)                                                                                |
| SUPPLIER DEVICE PACKAGE          | 6-SMD                                                                                           |
| SERIES                           | -                                                                                               |
| RISE / FALL TIME (TYP)           | -                                                                                               |
| PACKAGING                        | Tube                                                                                            |
| PACKAGE / CASE                   | 6-SMD, Gull Wing                                                                                |
| OUTPUT TYPE                      | MOSFET                                                                                          |
| OPERATING TEMPERATURE            | -55°C ~ 100°C                                                                                   |
| NUMBER OF CHANNELS               | 1                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| INPUT TYPE                       | DC                                                                                              |
| DETAILED DESCRIPTION             | Optoisolator MOSFET Output 5300Vrms 1 Channel 6-SMD                                             |
| CURRENT TRANSFER RATIO (MIN)     | -                                                                                               |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                               |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                               |
| CURRENT - DC FORWARD (IF) (MAX)  | 60mA                                                                                            |
