Specifications of FSTU3257MTCX

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | FSTU3257MTCX                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                 |
| DESCRIPTION                      | MUX/DEMUX QUAD 2:1 TTL 16TSSOP                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE               | 3903 pcs                                                                                             |
| DATA SHEET                       |  FSTU3257MTCX.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                        |
| VOLTAGE - SUPPLY                 | 4 V ~ 5.5 V                                                                                          |
| TYPE                             | Multiplexer/Demultiplexer                                                                            |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                                                             |
| SERIES                           | -                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INDEPENDENT CIRCUITS             | 1                                                                                                    |
| DETAILED DESCRIPTION             | Multiplexer/Demultiplexer 4 x 2:1 16-TSSOP                                                           |
| CURRENT - OUTPUT HIGH, LOW       | -                                                                                                    |
| CIRCUIT                          | 4 x 2:1                                                                                              |
| BASE PART NUMBER                 | 3257                                                                                                 |
