

AMI Semiconductor / ON

Semiconductor

Part Number:CAT1022LI-45-G

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC SUPERVISR CPU 2K EEPROM 8DIP

Datasheets: CAT1022LI-45-G.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:3487 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of CAT1022LI-45-G

|                                  |                                                                                                        |

| DESCRIPTION                      | IC SUPERVISR CPU 2K EEPROM 8DIP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 3487 pcs                                                                                               |
| DATA SHEET                       |  CAT1022LI-45-G.pdf |
| VOLTAGE - THRESHOLD              | 4.5V                                                                                                   |
| TYPE                             | Simple Reset/Power-On Reset                                                                            |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                                 |
| SERIES                           | -                                                                                                      |
| RESET TIMEOUT                    | 130 ms Minimum                                                                                         |
| RESET                            | Active Low                                                                                             |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                                 |
| OUTPUT                           | Open Drain or Open Collector                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                      |
| MOUNTING TYPE                    | Through Hole                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 8-PDIP                                               |
| BASE PART NUMBER                 | CAT1022                                                                                                |
