| SUPPLIER DEVICE PACKAGE          | 16-LGA (3x3)                                                       |
| SERIES                           | MotionTracking™                                                    |
| SENSOR TYPE                      | Accelerometer, Gyroscope, 6 Axis                                   |
| PACKAGING                        | Tape & Reel (TR)                                                   |
| PACKAGE / CASE                   | 16-WFLGA                                                           |
| OUTPUT TYPE                      | I²C, SPI                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                  |
| MOUNTING TYPE                    | Surface Mount                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS Compliant                                     |
| DETAILED DESCRIPTION             | Accelerometer, Gyroscope, 6 Axis Sensor I²C, SPI Output            |
