|---------------------|--------------------------------------------------------------------------|
| Part Number:        | MAX509ACAP+T                                                             |
| Manufacturer/Brand: | Maxim Integrated                                                         |
| Product description | IC DAC 8BIT QUAD R-R 20-SSOP                                             |
| Datasheets:         | <a href="#">1.MAX509ACAP+T.pdf</a><br><a href="#">2.MAX509ACAP+T.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                               |
| Stock Condition     | 11262 pcs stock                                                          |
| Ship From           | Hong Kong                                                                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                    |

| VOLTAGE - SUPPLY, DIGITAL        | 5V                                                                       |
| VOLTAGE - SUPPLY, ANALOG         | ±5V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 20-SSOP                                                                  |
| SETTLING TIME                    | 6µs (Typ)                                                                |
| SERIES                           | -                                                                        |
| REFERENCE TYPE                   | External                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 20-SSOP (0.209", 5.30mm Width)                                           |
| OUTPUT TYPE                      | Voltage - Buffered                                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                               |
| NUMBER OF D/A CONVERTERS         | 4                                                                        |
| NUMBER OF BITS                   | 8                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INL/DNL (LSB)                    | -, ±1 (Max)                                                              |
| DIFFERENTIAL OUTPUT              | No                                                                       |
| DETAILED DESCRIPTION             | 8 Bit Digital to Analog Converter 4 20-SSOP                              |
| DATA INTERFACE                   | SPI                                                                      |
| BASE PART NUMBER                 | MAX509                                                                   |
| ARCHITECTURE                     | R-2R                                                                     |
