| Product description | IC ADC 16BIT SRL/PAR 28TSSOP                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 9938 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

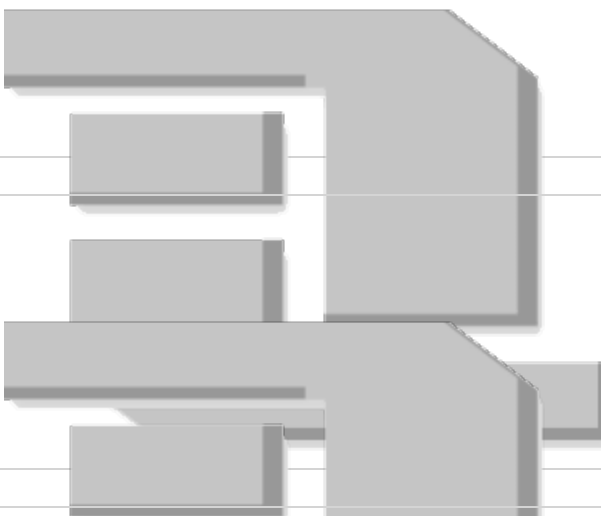

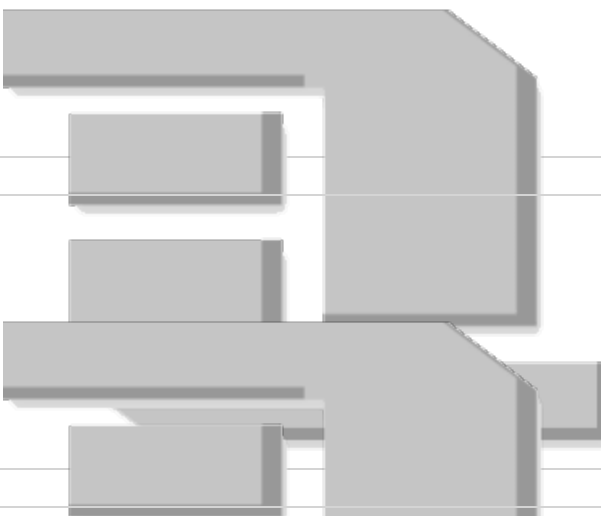

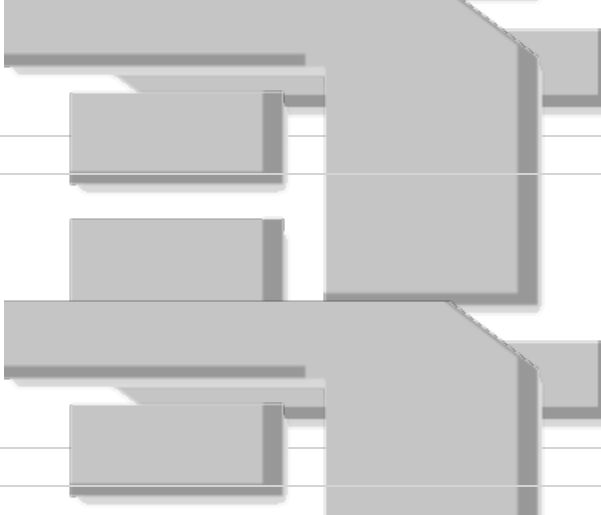

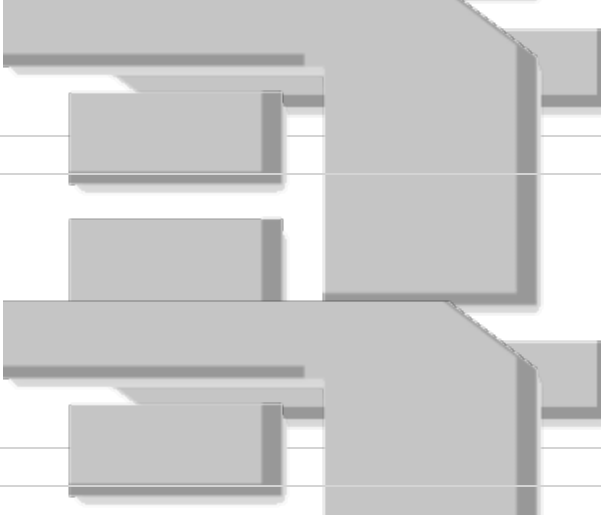

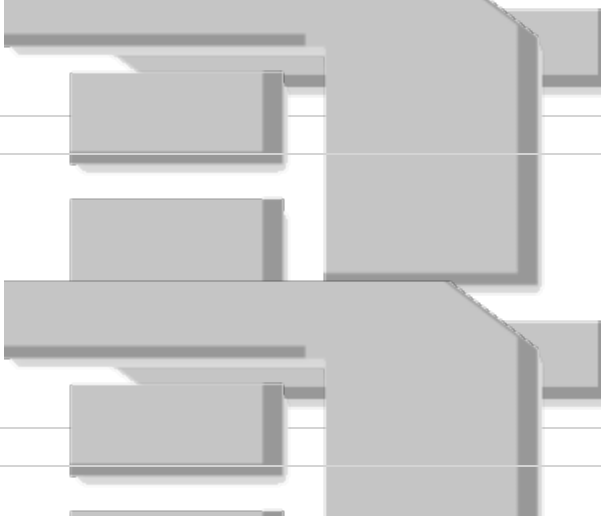

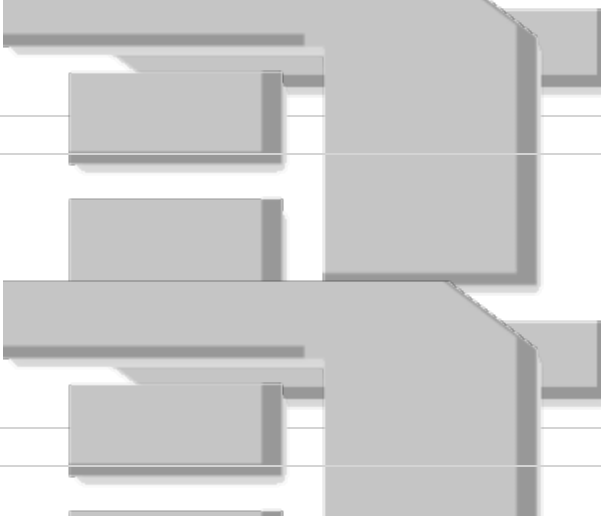

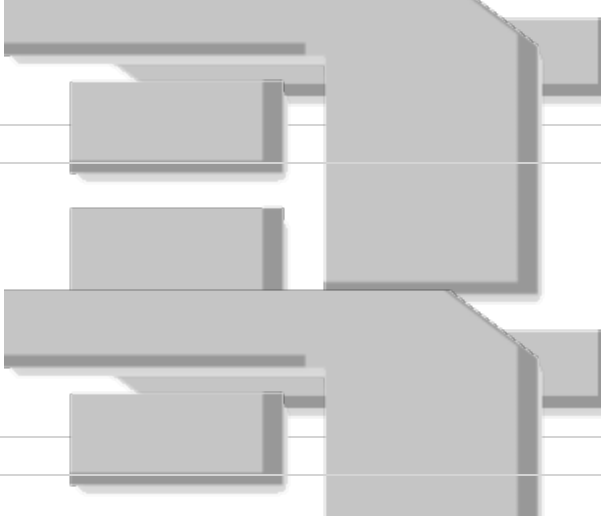

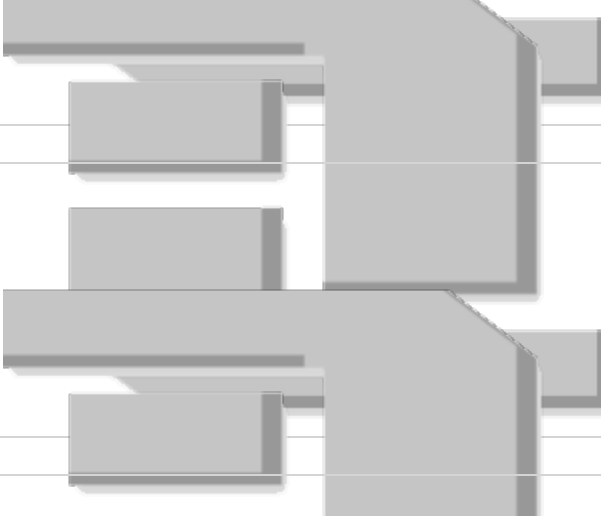

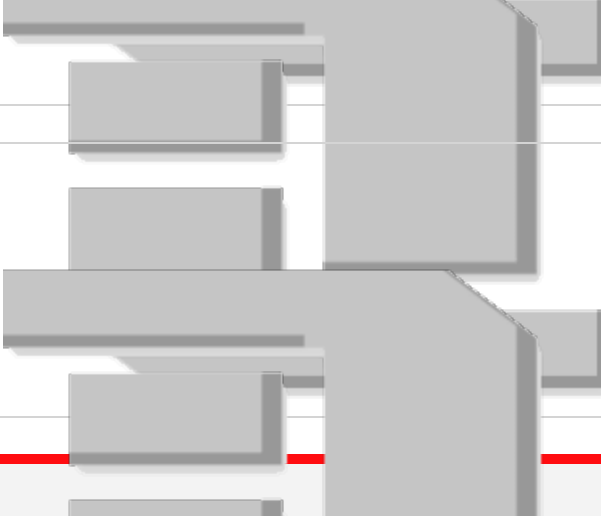

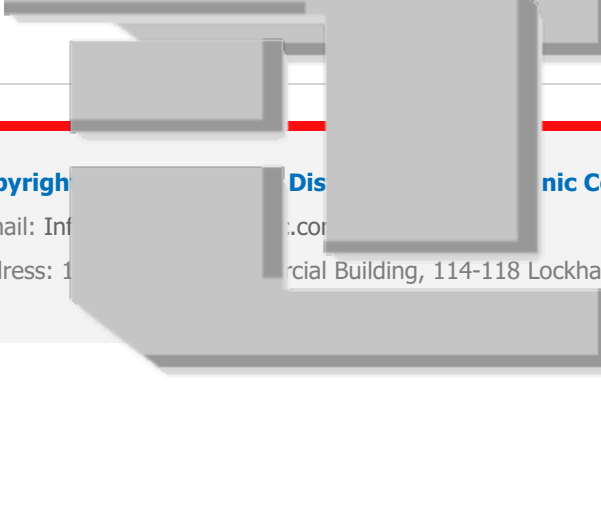

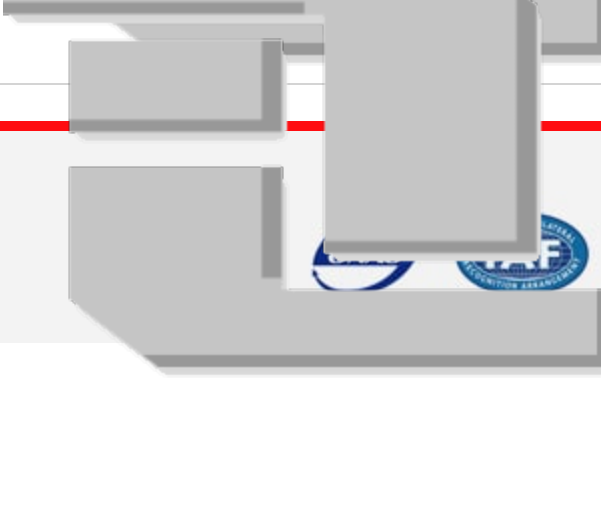

Specifications of ADS8517IBPWR

|                                  |                                                           |
|----------------------------------|-----------------------------------------------------------|
| PART NUMBER                      | ADS8517IBPWR                                              |
| MANUFACTURER                     | N/A                                                       |
| DESCRIPTION                      | IC ADC 16BIT SRL/PAR 28TSSOP                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| QUANTITY AVAILABLE               | 9938 pcs                                                  |
| DATA SHEET                       |                                                           |
| VOLTAGE - SUPPLY, DIGITAL        | 1.65 V ~ 5.5 V                                            |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                        |
| SUPPLIER DEVICE PACKAGE          | 28-TSSOP                                                  |
| SERIES                           | -                                                         |
| SAMPLING RATE (PER SECOND)       | 200k                                                      |
| REFERENCE TYPE                   | External, Internal                                        |
| RATIO - S/H:ADC                  | 1:1                                                       |
| PACKAGING                        | Tape & Reel (TR)                                          |
| PACKAGE / CASE                   | 28-TSSOP (0.173", 4.40mm Width)                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                              |
| NUMBER OF INPUTS                 | 1                                                         |
| NUMBER OF BITS                   | 16                                                        |
| NUMBER OF A/D CONVERTERS         | 1                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| INPUT TYPE                       | Single Ended                                              |
| FEATURES                         | -                                                         |
| DETAILED DESCRIPTION             | 16 Bit Analog to Digital Converter 1 Input 1 SAR 28-TSSOP |
| DATA INTERFACE                   | SPI, Parallel                                             |
| CONFIGURATION                    | S/H-ADC                                                   |
| BASE PART NUMBER                 | ADS8517                                                   |
| ARCHITECTURE                     | SAR                                                       |
