A22RL-TWT111A

|                     |                                                          |
|---------------------|----------------------------------------------------------|
| Part Number:        | A22RL-TWT111A                                            |
| Manufacturer/Brand: | Omron Automation & Safety                                |
| Product description | SWITCH PUSH DPST-NO/NC 10A 120V                          |
| Datasheets:         |                                                          |
| RoHs Status         | <div><div></div>Contains lead / RoHS non-compliant</div> |
| Stock Condition     | 6581 pcs stock                                           |
| Ship From           | Hong Kong                                                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                    |

| PART NUMBER                      | A22RL-TWT111A                                                         |
| MANUFACTURER                     | Omron Automation & Safety                                             |
| DESCRIPTION                      | SWITCH PUSH DPST-NO/NC 10A 120V                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                    |
| QUANTITY AVAILABLE               | 6581 pcs                                                              |
| DATA SHEET                       |                                                                       |
| VOLTAGE RATING - AC              | 120V                                                                  |
| TYPE                             | Standard, Illuminated                                                 |
| TERMINATION STYLE                | Screw Terminal                                                        |
| SWITCH FUNCTION                  | On-Off, Off-On                                                        |
| SERIES                           | A22RL                                                                 |
| PANEL CUTOUT DIMENSIONS          | Circular - 22.30mm Dia                                                |
| PACKAGING                        | Bulk                                                                  |
| OTHER NAMES                      | A22RLTWT111A<br>A22RLTWT111A-ND                                       |
| OPERATING TEMPERATURE            | -20°C ~ 50°C                                                          |
| MOUNTING TYPE                    | Panel Mount, Front                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| MECHANICAL LIFE                  | 300,000 Cycles                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                    |
| INGRESS PROTECTION               | IP65 - Dust Tight, Water Resistant                                    |
| ILLUMINATION VOLTAGE (NOMINAL)   | 110 VAC                                                               |
| ILLUMINATION TYPE, COLOR         | LED, White                                                            |
| FEATURES                         | Voltage Reduction Lighting                                            |
| ELECTRICAL LIFE                  | 500,000 Cycles                                                        |
| DETAILED DESCRIPTION             | Pushbutton Switch DPST-NO/NC Standard, Illuminated Panel Mount, Front |
| CURRENT RATING                   | 10A (AC)                                                              |
| COLOR - ACTUATOR/CAP             | White                                                                 |
| CIRCUIT                          | DPST-NO/NC                                                            |
| ACTUATOR TYPE                    | Round, Button                                                         |
