| DESCRIPTION                      | IC NFC/RFID TAG 64KB EEPROM 8TSS                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 115945 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">M24SR64-YDW6T/2.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                           |
| TYPE                             | RFID Transponder                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                                 |
| STANDARDS                        | ISO 14443, NFC                                                                                                          |
| SERIES                           | -                                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                                          |
| OTHER NAMES                      | 497-14345-2                                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INTERFACE                        | I²C                                                                                                                     |
| FREQUENCY                        | 13.56MHz                                                                                                                |
| DETAILED DESCRIPTION             | RFID Transponder IC 13.56MHz ISO 14443, NFC I²C 2.7 V ~ 5.5 V 8-TSSOP (0.173", 4.40mm Width)                            |
