

SSI Technologies, Inc.

P51-300-A-L-P-5V-000-000

Part Number: P51-300-A-L-P-5V-000-000

Manufacturer/Brand: SSI Technologies, Inc.

Product description: SENSOR 300PSI M10-1.25 6H FEM 5V

Datasheets: 

PDF

1.P51-300-A-L-P-5V-000-000.pdf

PDF

2.P51-300-A-L-P-5V-000-000.pdf

RoHs Status: 

RoHS

Lead free / RoHS Compliant

Stock Condition: 766 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| VOLTAGE - SUPPLY                 | 8 V ~ 30 V                                                                                                      |
| TERMINATION STYLE                | Packard, 3 Pin                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                               |
| SERIES                           | MediaSensor™                                                                                                    |
| PRESSURE TYPE                    | Absolute                                                                                                        |
| PORT STYLE                       | Threaded                                                                                                        |
| PORT SIZE                        | Female - M10 x 1.25                                                                                             |
| PACKAGE / CASE                   | Cylinder                                                                                                        |
| OUTPUT TYPE                      | Analog Voltage                                                                                                  |
| OUTPUT                           | 1 V ~ 5 V                                                                                                       |
| OTHER NAMES                      | P51-300-A-L-P-5V<br>P51-300-A-L-P-5V-ND                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                                   |
| OPERATING PRESSURE               | 300 PSI (2068.43 kPa)                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                   |
| MAXIMUM PRESSURE                 | -                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                      |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                       |
| DETAILED DESCRIPTION             | Pressure Sensor 300 PSI (2068.43 kPa) Absolute Female - M10 x 1.25 1 V ~ 5 V Cylinder                           |
| ACCURACY                         | ±0.5%                                                                                                           |
