| DESCRIPTION                      | IC BUFF NON-INVERT 5.5V 20DHVQFN                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| QUANTITY AVAILABLE               | 3852 pcs                                                                              |
| DATA SHEET                       |                                                                                       |
| VOLTAGE - SUPPLY                 | 2 V ~ 5.5 V                                                                           |
| SUPPLIER DEVICE PACKAGE          | 20-DHVQFN (4.5x 2.5)                                                                  |
| SERIES                           | 74AHC                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                      |
| PACKAGE / CASE                   | 20-VFQFN Exposed Pad                                                                  |
| OUTPUT TYPE                      | 3-State                                                                               |
| OTHER NAMES                      | 568-5357-2<br>935290232115                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                    |
| NUMBER OF ELEMENTS               | 2                                                                                     |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                         |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| INPUT TYPE                       | -                                                                                     |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 4 Bit per Element 3-State Output 20-DHVQFN (4.5x 2.5) |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                              |
| BASE PART NUMBER                 | 74AHC241                                                                              |
