MC68EN360RC33L

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC68EN360RC33L                                                                                               |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC MPU M683XX 33MHZ 241PGA                                                                                   |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4637 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

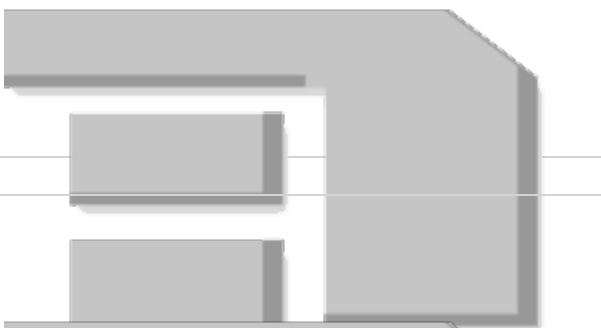

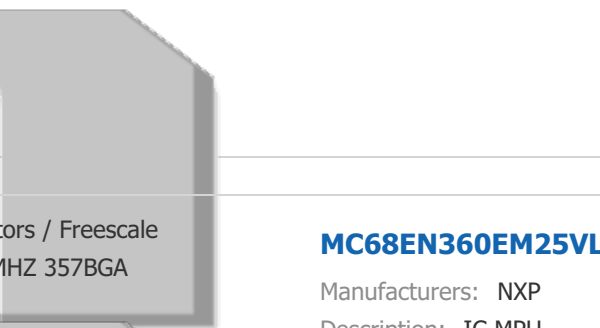

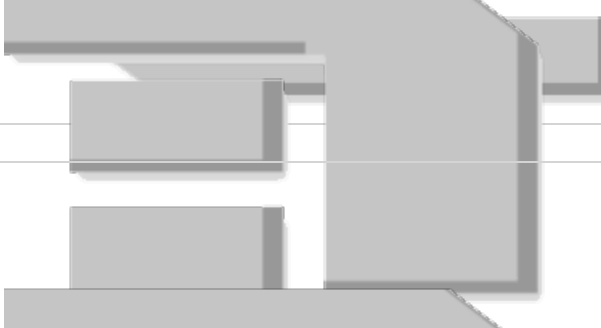

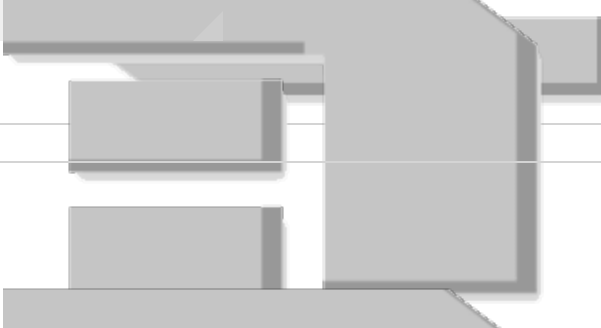

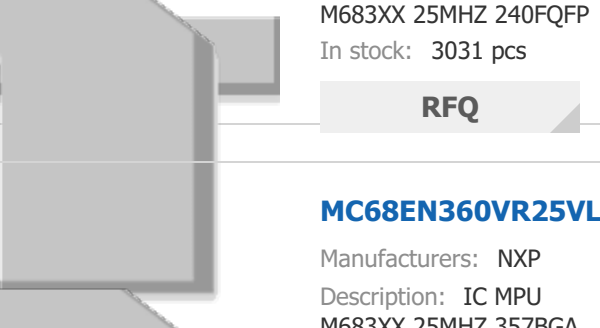

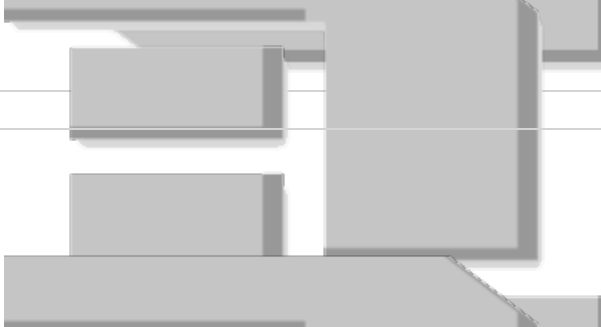

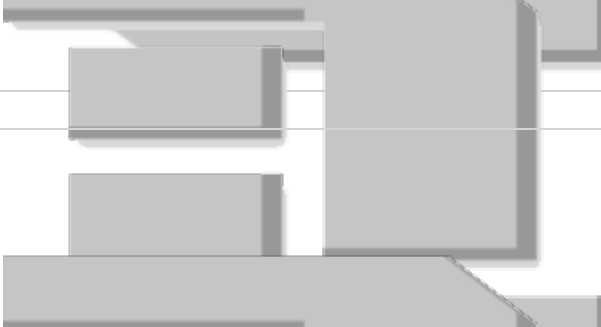

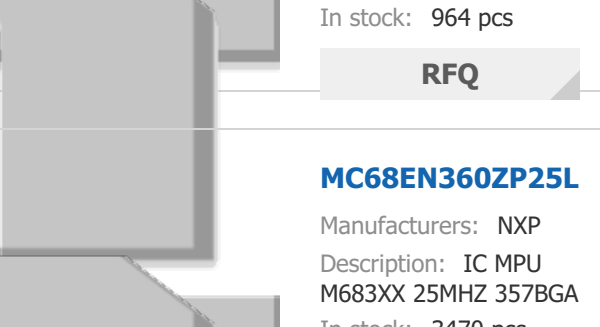

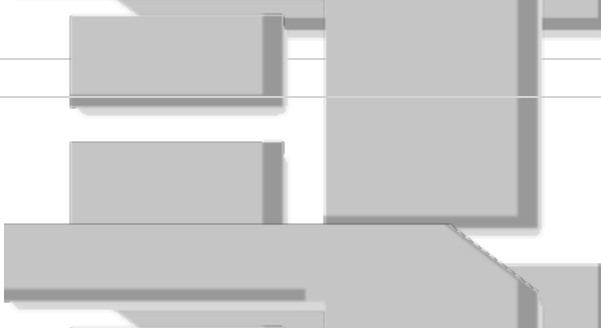

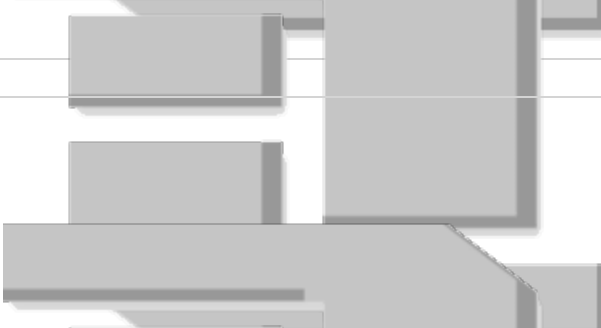

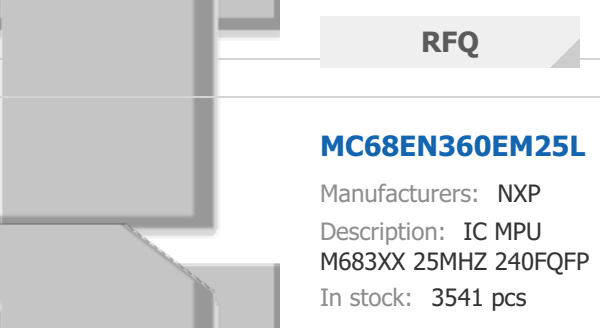

Specifications of MC68EN360RC33L

|                                  |                                                                            |

| MANUFACTURER                     | NXP Semiconductors / Freescale                                             |
| DESCRIPTION                      | IC MPU M683XX 33MHZ 241PGA                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| QUANTITY AVAILABLE               | 4637 pcs                                                                   |
| DATA SHEET                       |                                                                            |
| VOLTAGE - I/O                    | 5.0V                                                                       |
| USB                              | -                                                                          |
| SUPPLIER DEVICE PACKAGE          | 241-PGA (47.24x47.24)                                                      |
| SPEED                            | 33MHz                                                                      |
| SERIES                           | M683xx                                                                     |
| SECURITY FEATURES                | -                                                                          |
| SATA                             | -                                                                          |
| RAM CONTROLLERS                  | DRAM                                                                       |
| PACKAGING                        | Tray                                                                       |
| PACKAGE / CASE                   | 241-BPGA Exposed Pad                                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                            |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| GRAPHICS ACCELERATION            | No                                                                         |
| ETHERNET                         | 10 Mbps (1)                                                                |
| DISPLAY & INTERFACE CONTROLLERS  | -                                                                          |
| DETAILED DESCRIPTION             | CPU32+ Microprocessor IC M683xx 1 Core, 32-Bit 33MHz 241-PGA (47.24x47.24) |
| CORE PROCESSOR                   | CPU32+                                                                     |
| CO-PROCESSORS/DSP                | Communications; CPM                                                        |
| BASE PART NUMBER                 | MC68EN360                                                                  |
| ADDITIONAL INTERFACES            | SCC, SMC, SPI                                                              |
