

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

ON Semiconductor®

Part Number:MC34064D-5R2G

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC SENSOR UNDERVOLTAGE 8SOIC

Datasheets:MC34064D-5R2G.pdf

RoHs Status:Lead free / RoHS Compliant

Stock Condition:96715 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC34064D-5R2G

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC34064D-5R2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC SENSOR UNDERVOLTAGE 8SOIC                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 96715 pcs                                                                                             |
| DATA SHEET                       |  MC34064D-5R2G.pdf |
| VOLTAGE - THRESHOLD              | 4.6V                                                                                                  |
| TYPE                             | Simple Reset/Power-On Reset                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                |
| SERIES                           | -                                                                                                     |
| RESET TIMEOUT                    | -                                                                                                     |
| RESET                            | Active Low                                                                                            |
| PACKAGING                        | Cut Tape (CT)                                                                                         |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                         |
| OUTPUT                           | Open Drain or Open Collector                                                                          |
| OTHER NAMES                      | MC34064D-5R2GOSCT                                                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                       |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 8-SOIC                                              |
| BASE PART NUMBER                 | MC34064                                                                                               |
