

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:NLX1G57AMX1TCG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC GATE CONFIG MULTIFUNC 6-ULLGA

Datasheets:

NLX1G57AMX1TCG.pdf

RoHs Status:

Lead free / RoHS Compliant

Stock Condition:6120 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

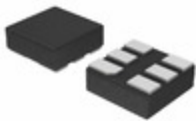

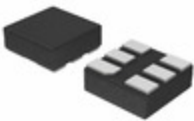

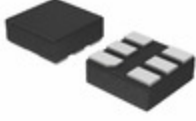

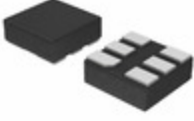

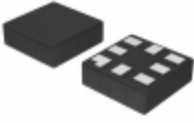

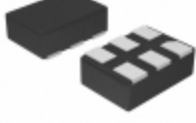

Specifications of NLX1G57AMX1TCG

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NLX1G57AMX1TCG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC GATE CONFIG MULTIFUNC 6-ULLGA                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 6120 pcs                                                                                               |
| DATA SHEET                       |  NLX1G57AMX1TCG.pdf |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 5.5 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 6-ULLGA (1.45x1)                                                                                       |
| SERIES                           | MiniGate™                                                                                              |
| SCHMITT TRIGGER INPUT            | No                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 6-XFLGA                                                                                                |
| OUTPUT TYPE                      | Single-Ended                                                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                          |
| NUMBER OF INPUTS                 | 3                                                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LOGIC TYPE                       | Configurable Multiple Function                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | Configurable Multiple Function Configurable 1 Circuit 3 Input 6-ULLGA (1.45x1)                         |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 32mA                                                                                             |
| BASE PART NUMBER                 | NLX1G57                                                                                                |
