| MANUFACTURER                     | NXP Semiconductors / Freescale                                        |
| DESCRIPTION                      | IC I-CODE ILT UNCASED WAFER                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE               | 1368518 pcs                                                           |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 1.5 V ~ 1.7 V                                                         |
| TYPE                             | RFID Transponder                                                      |
| SUPPLIER DEVICE PACKAGE          | Wafer                                                                 |
| STANDARDS                        | ISO 15693, ISO 18000-3                                                |
| SERIES                           | I-Code                                                                |
| PACKAGING                        | Bulk                                                                  |
| PACKAGE / CASE                   | Die                                                                   |
| OTHER NAMES                      | 935296147003                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INTERFACE                        | -                                                                     |
| FREQUENCY                        | 13.56MHz                                                              |
| DETAILED DESCRIPTION             | RFID Transponder IC 13.56MHz ISO 15693, ISO 18000-3 1.5 V ~ 1.7 V Die |
