| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                |
| VOLTAGE - LOAD                   | 4.5 V ~ 36 V                                                                                 |
| TECHNOLOGY                       | Bipolar                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 16-PDIP                                                                                      |
| SERIES                           | -                                                                                            |
| RDS ON (TYP)                     | -                                                                                            |
| PACKAGING                        | Tube                                                                                         |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                                                      |
| OUTPUT CONFIGURATION             | Half Bridge (4)                                                                              |
| OTHER NAMES                      | 296-9911-5                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 150°C (TJ)                                                                           |
| MOUNTING TYPE                    | Through Hole                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                |
| LOAD TYPE                        | Inductive                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                   |
| INTERFACE                        | Logic                                                                                        |
| FEATURES                         | -                                                                                            |
| FAULT PROTECTION                 | -                                                                                            |
| DETAILED DESCRIPTION             | Half Bridge (4) Driver DC Motors, General Purpose, Solenoids, Stepper Motors Bipolar 16-PDIP |
| CURRENT - PEAK OUTPUT            | 2A                                                                                           |
| CURRENT - OUTPUT / CHANNEL       | 1A                                                                                           |
| BASE PART NUMBER                 | SN754410                                                                                     |
| APPLICATIONS                     | DC Motors, General Purpose, Solenoids, Stepper Motors                                        |
