KAF-50100-AAA-JD-BA

|                     |                                                                                                                           |
|---------------------|---------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | KAF-50100-AAA-JD-BA                                                                                                       |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor                                                                                      |
| Product description | IMAGE SENSOR CCD 50.1MP 52CPGA                                                                                            |
| Datasheets:         |  <a href="#">KAF-50100-AAA-JD-BA.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant              |
| Stock Condition     | 18 pcs stock                                                                                                              |
| Ship From           | Hong Kong                                                                                                                 |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                     |

REQUEST FOR QUOTATION

Specifications of KAF-50100-AAA-JD-BA

|                                  |                                                                                                                             |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | KAF-50100-AAA-JD-BA                                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                                        |
| DESCRIPTION                      | IMAGE SENSOR CCD 50.1MP 52CPGA                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| QUANTITY AVAILABLE               | 18 pcs                                                                                                                      |
| DATA SHEET                       |  <a href="#">KAF-50100-AAA-JD-BA.pdf</a> |
| VOLTAGE - SUPPLY                 | 14.5 V ~ 15.5 V                                                                                                             |
| TYPE                             | CCD                                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 52-CPGA (57.5x49)                                                                                                           |
| SERIES                           | -                                                                                                                           |
| PIXEL SIZE                       | 6µm x 6µm                                                                                                                   |
| PACKAGING                        | Bulk                                                                                                                        |
| PACKAGE / CASE                   | 52-BCPGA                                                                                                                    |
| OPERATING TEMPERATURE            | 0°C ~ 60°C (TA)                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| DETAILED DESCRIPTION             | CCD Image Sensor 8176H x 6132V 6µm x 6µm 52-CPGA (57.5x49)                                                                  |
| ACTIVE PIXEL ARRAY               | 8176H x 6132V                                                                                                               |
