

IDT (Integrated Device Technology)

Technology)

Part Number:M2004-01-622.0800

Manufacturer/Brand:IDT (Integrated Device Technology)

Product description:IC PLL FREQ TRANSLATOR 36CLCC

Datasheets: M2004-01-622.0800.pdf

RoHS Status: Lead free / RoHS Compliant

Stock Condition:6909 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of M2004-01-622.0800

|                                  |                                                                                                           |

| DATA SHEET                       |  M2004-01-622.0800.pdf |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 36-CLCC                                                                                                   |
| SERIES                           | -                                                                                                         |
| RATIO - INPUT:OUTPUT             | 2:1                                                                                                       |
| PACKAGING                        | Tray                                                                                                      |
| PACKAGE / CASE                   | 36-CLCC                                                                                                   |
| PLL                              | Yes                                                                                                       |
| OUTPUT                           | LVPECL                                                                                                    |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                |
| NUMBER OF CIRCUITS               | 1                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| INPUT                            | LVCMOS, LVTTTL                                                                                            |
| FREQUENCY - MAX                  | 622.08MHz                                                                                                 |
| DIVIDER/MULTIPLIER               | Yes/No                                                                                                    |
| DIFFERENTIAL - INPUT:OUTPUT      | No/Yes                                                                                                    |
