

Maxim Integrated

Part Number:DS1135LZ-15/T&R

Manufacturer/Brand:Maxim Integrated

Product description:IC DELAY LINE 15NS 8SOIC

Datasheets:DS1135LZ-15/T&R.pdf

RoHs Status:Contains lead / RoHS non-compliant

Stock Condition:4526 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of DS1135LZ-15/T&R

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC DELAY LINE 15NS 8SOIC                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                      |
| QUANTITY AVAILABLE               | 4526 pcs                                                                                                |
| DATA SHEET                       |  DS1135LZ-15/T&R.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                  |
| SERIES                           | -                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                            |
| NUMBER OF INDEPENDENT DELAYS     | 3                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                      |
| FUNCTION                         | Multiple, NonProgrammable                                                                               |
| DETAILED DESCRIPTION             | Delay Line IC Multiple, NonProgrammable 15ns 8-SOIC (0.154", 3.90mm Width)                              |
| DELAY TO 1ST TAP                 | 15ns                                                                                                    |
| BASE PART NUMBER                 | DS1135L                                                                                                 |
| AVAILABLE TOTAL DELAYS           | 15ns                                                                                                    |
