

NXP Semiconductors / Freescale

N74F245DB,112

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Part Number:        | N74F245DB,112                                    |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                   |
| Product description | IC TXRX NON-INVERT 5.5V 20SSOP                   |
| Datasheets:         |                                                  |
| RoHS Status         | <div><div></div>Lead free / RoHS Compliant</div> |
| Stock Condition     | 5481 pcs stock                                   |
| Ship From           | Hong Kong                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                            |

REQUEST FOR QUOTATION

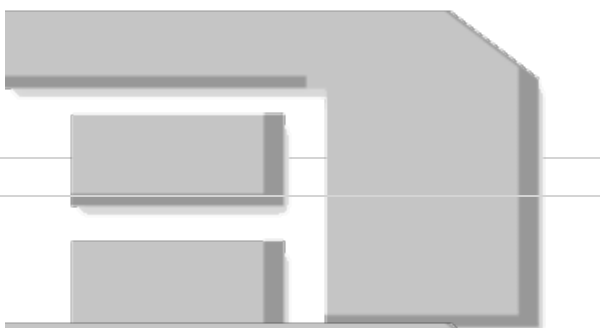

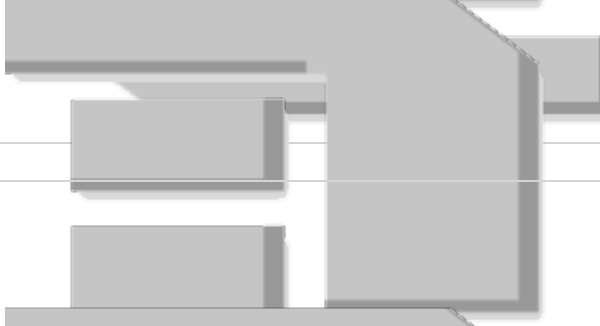

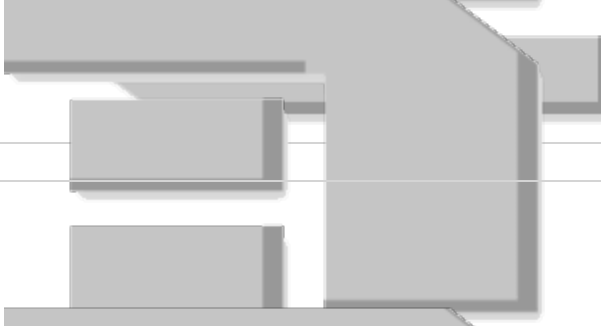

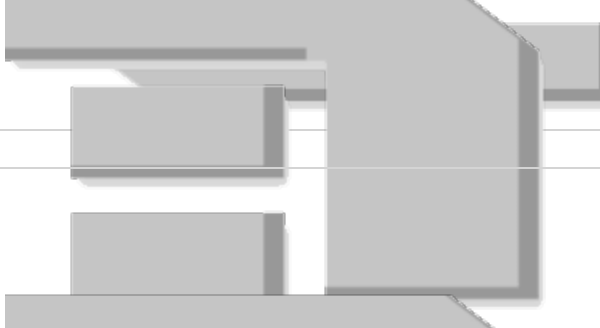

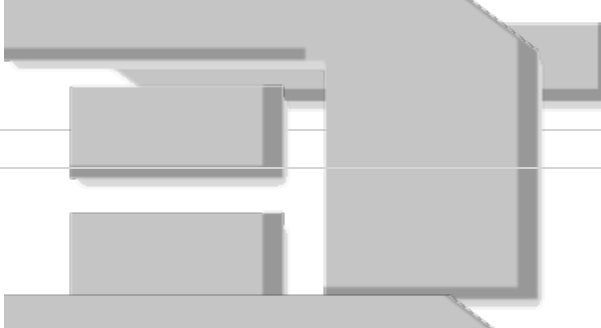

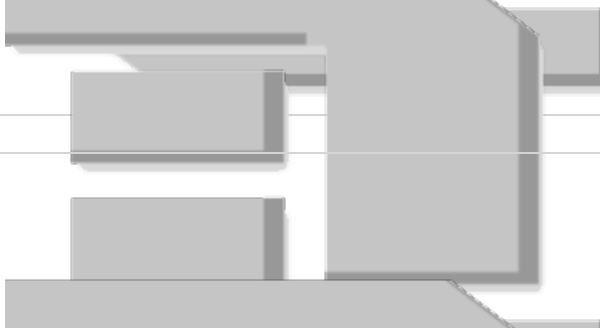

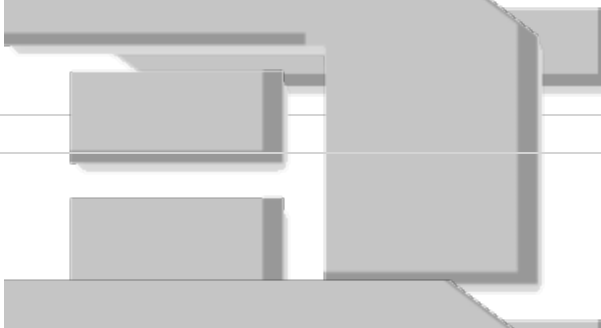

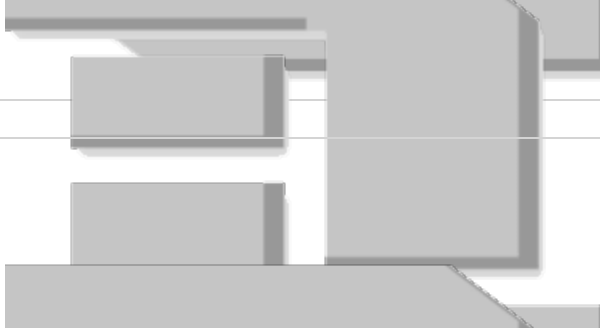

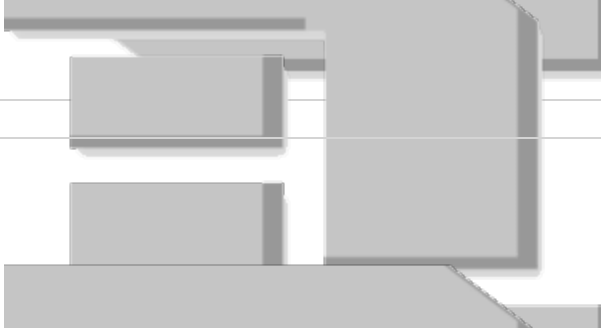

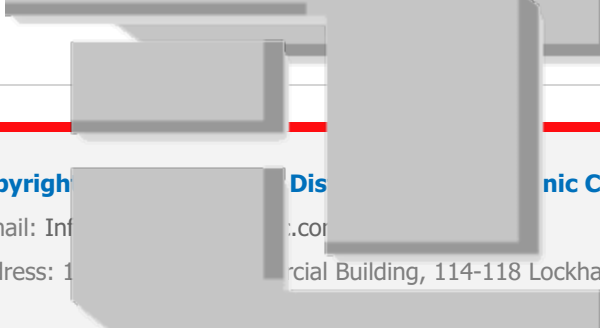

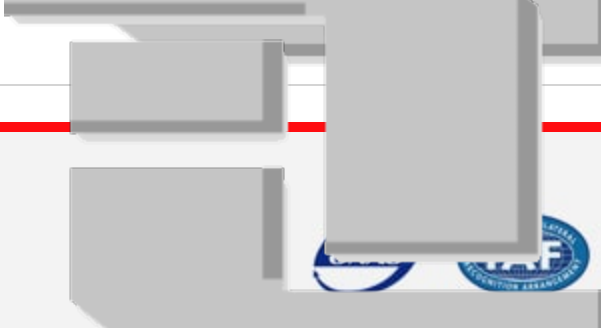

Specifications of N74F245DB,112

|                                  |                                                                               |
|----------------------------------|-------------------------------------------------------------------------------|
| PART NUMBER                      | N74F245DB,112                                                                 |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                |
| DESCRIPTION                      | IC TXRX NON-INVERT 5.5V 20SSOP                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| QUANTITY AVAILABLE               | 5481 pcs                                                                      |
| DATA SHEET                       |                                                                               |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                 |
| SUPPLIER DEVICE PACKAGE          | 20-SSOP                                                                       |
| SERIES                           | 74F                                                                           |
| PACKAGING                        | Tube                                                                          |
| PACKAGE / CASE                   | 20-SSOP (0.209", 5.30mm Width)                                                |
| OUTPUT TYPE                      | 3-State                                                                       |
| OTHER NAMES                      | 935186020112<br>N74F245DB<br>N74F245DB-ND                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                               |
| NUMBER OF ELEMENTS               | 1                                                                             |
| NUMBER OF BITS PER ELEMENT       | 8                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| INPUT TYPE                       | -                                                                             |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 8 Bit per Element 3-State Output 20-SSOP |
| CURRENT - OUTPUT HIGH, LOW       | 3mA, 24mA; 15mA, 64mA                                                         |
| BASE PART NUMBER                 | 74F245                                                                        |
